

BREAST IMPLANT HEALTH SUMMIT 2022

Thursday, October 20th

Friday, October 21st

Saturday, October 22nd

Sunday, October 23rd

VIRTUAL EVENT

This 4-day practitioner-driven summit is designed to educate healthcare professionals and will provide them with tools and strategies to address the needs of patients experiencing breast implant-related health concerns.

While the conversation is geared toward practitioners; those with breast implant-related illnesses are also welcome to attend. Discounts are available to all those with breast implants or breast implant-related issues. Please email us at breastimplanthealthsummit@gmail.com for more information.

Global Health experts will share their research, clinical experience, and address current topics in breast implant illness.

Haymarket is sponsoring 4 hours of CME accredited presentations. These 4 specific presentations will be available live on Saturday morning. ACCME, ANCC, AAPA

**Registration Fee: \$250 before October 1st
\$350 After October 1st. Post-conference, the presentations will be accessible for 4 months on-demand.**
